

Family Strong

100 YEARS with the **JERSEY COW**
72 YEARS with the **JERSEY JOURNAL.**

Our family patriarch, Stanley Chittenden of Fair Weather Farm, got his first Jersey in 1925. Fair Weather was a contract advertiser in the innagural issue of the Jersey Journal in October 1953.

Dutch Hollow was established in 1976 and became a contract advertiser soon after. The four generations here at Dutch Hollow take a lot of pride in our family's long-time involvement with the Jersey cow, the Jersey Association, and the Jersey Journal. We look forward to continuing those relationships into the bright future of the Jersey cow.
