

Winners of the President's Trophy

The President's Trophy is an annual award recognizing the high-record cow on official AJCA testing programs of the previous year. Over the years, the basis of the award has changed, recognizing cows for actual production, mature equivalent (m.e.) and value. Since 1990, it has been awarded to the cow completing the top record for m.e. pounds protein.

Actual Pounds Fat		Milk	Fat
1923	Lads Iota	18,632	1,048
1924	Darling Jolly Lassie	16,425	1,141
