Show String Group:

## DAIRY CATTLE STALLING REQUEST FORM

The stalling request form must be completed for all animals on grounds.

A completed stalling request is needed when requesting stalling "with" another farm/exhibitor.

A "string" is described as exhibitors sharing tack, feed, clipping space and crew.

Stalling locations will be assigned for animals on grounds only, not number of animals entered. Stalling locations will be confirmed when animals arrive on grounds.

Advance purchase of tack space is based on availability.

The superintendents may not be able to honor all stalling requests.

ONLY ONE FORM SHOULD BE COMPLETED PER GROUP OF ANIMALS
